

# ADVENTURE AWAITS

We've got your back  
(and your knees and hips).

## Introducing the surgical and treatment support program.

At Cigna, it's our goal to help make sure nothing holds you back from making the most of life's adventures. Not back, knee or hip pain – and certainly not concerns about the cost or quality of treatment.

### With the surgical and treatment support program, you can:

#### Get personalized guidance and support

We will support you through the entire process – from helping you find a surgeon, to reviewing your treatment decision, to following up with you after treatment.

#### Feel confident in your care

We've taken the guesswork out of finding the right care. Health care providers participating in the program meet Cigna's quality measures.

#### Avoid surprise costs

From admission through discharge – it's all covered at 100% under your health plan.\*

#### Eligible procedures

- › Low back disk surgery
- › Hip arthroplasty
- › Hip replacement
- › Knee arthroplasty
- › Knee replacement
- › Laminectomy
- › Spinal fusion
