

Healthcare Designed to Save You Time and Money

We are redefining healthcare by establishing the primary care setting as a convenient **one-stop shop** to treat up to 80-90% of your healthcare needs, including chronic conditions, preventive care, urgent needs, well-child care, routine health and wellness counseling, and more, **saving you time and money.**

By having one of the three offered Cigna plans, you and your eligible family members have access to Paladina Health at **no additional cost.**

WITH PALADINA HEALTH, YOU CAN:

Save money with no co-pays under the Cigna Copay Basic or Copay Plus plans, or co-insurance under the Cigna HDHP HSA plan.¹ **Patients saved up to 68% on primary care expenses.**²

Enroll your dependents to get care for the entire family, including pediatrics.

Retain your current benefits and chosen providers, including pediatricians and specialists, while gaining unlimited access to Paladina Health providers.

Complete lab work and fill prescriptions onsite.³

Schedule same- and next-day appointments for urgent needs.

Avoid expensive trips to urgent care by contacting your provider at any time, day or night, via phone for pressing health concerns.

Maintain your current Health Savings Account.

“Paladina Health has provided me with the best medical care since I started working for the State. **My health has improved, and my overall medical costs have decreased.**”

¹Certain tests sent to outside labs will be charged to your insurance. For those contributing to a Health Savings Account (HSA), a \$40 flat fee will apply to acute/non-preventive services which will go towards the plan deductible. Care delivered by phone or email is no cost to all. ²Calculations based on random sampling of Paladina Health clients equaling approximately 25% of enrolled patient population in 2015. ³Offices have a supply of routinely dispensed generic medications which are available for purchase. To learn more, contact your doctor's office directly. Actual savings may vary by age, gender, medical history and health plan.
